

Life Application Bible Study at First Baptist Church Holly Springs

*Teach a youth about the way he should go; even when he is old he will not depart from it.
Proverbs 22:6*

You're invited to Life Application Bible Study at First Baptist Church Holly Springs! We would love for you to come and study God's Word with us every Sunday morning. Everyone in your family will be able to find a class where they can easily relate with others. I believe Life Application Bible Study is one of the most important ministries of First Baptist Church. It is the foundational strategy of our church for leading people to faith in the Lord Jesus Christ and for building Great Commission Christians through Bible study groups that engage people in evangelism, discipleship, fellowship, ministry, and worship.

Life Application Bible Study at First Baptist Church helps to teach you the Word of God, and includes you in a loving group of people that can support you through life and involves you in ministry to others.

Every class has at the heart two primary elements. One is solid teaching from the Bible. Life Application Bible Study is designed to help you learn and apply God's truths. The other is the way we keep the feel of a small church, a "church within the church." It is in these smaller groups that you will experience the close-knit fellowship, friendships and caring relationships that is a part of our Sunday School.

We believe that Life Application Bible Study is an essential ingredient for a healthy spiritual journey for people of all ages. This Bible teaching and reaching ministry is also vital to the growth and health of our congregation.

If you are just beginning to open and explore the Bible or if you have a Bible with well worn pages from years of use, there is a place for you. As you look at the brief class descriptions, know that regardless of the age categories listed you are encouraged to visit the class of your choice that best fits you. All of the classes seek to build solid relationships based on the common experience of knowing Jesus Christ.

Each week a committed, well prepared, Bible-believing teacher presents life changing truths from God's Holy Word. It is the Word of God that sheds light on life's dark path.

Visit a class so that you can find the place where God would have you, and then become an active part of what God is doing through our Sunday school.

Exploring the Bible offers a systematic and comprehensive study of Scripture, moving through all 66 books of the Bible in a sequential fashion, alternating quarter-by-quarter between Old and New Testament studies. I am so excited to begin Exploring the Bible!

God bless you,
Jeffery Hooper
