LETS CONNECT!

Connection is an important aspect in the life of First Baptist Holly Springs. If you want to keep up with what is going on at church, text the word **CONNECT** to **770-758-1350**. We use the Text In Church system to announce events and activities as well as pass along prayer requests.

First time visitors are encouraged to scan this QR code and complete a connection card. This will provide church staff with basic information about you and your family so we can reach out via email and provide you with information about First Baptist Holly Springs and find out how we can minister to you.

PRAYER REQUESTS

Cody and Ashley Spence - Kayce Spence is still in the NICU and will probably be there until June. Prayers for him to keep getting stronger so he can go home.

Mille Acre - Millie continues to heal after falling and breaking her arm and hip. She is still in a great deal of pain from the arm so please pray for relief.

Larry Everett - Larry is still in a great deal of pain in his neck and back. Please continue to pray for much needed relief for Larry and strength and endurance for Susie as she cares for him.

Bobby Townsend - Andrea's brother in law is back in the hospital with clots in his legs and chest. Pray the blood thinners are able to dissolve the clots and they don't break off and travel through his body.

Tim Strickland - Co-worker and friend of Erick Mossinger. Still recovering from a motorcycle accident. Prayers for complete recovery are appreciated.

Misty Cosgrove - Her surgery to remove the brain tumor was successful. Prayers that it is benign and she is able to make a full recovery.

THE INFLUENCE OF A MOTHER

Only God Himself fully appreciates the influence of a Christian mother in the molding of character in her children. Someone has said, "Like mother, like children." Most of the noble characters and fine leaders of history have had good, God-fearing mothers. We are told that George Washington's mother was pious, and that Sir Walter Scott's mother was a lover of poetry and music. On the other hand, we are told that Nero's mother was a murderess and that the dissolute Lord Byron's mother was a proud and violent woman. The influence of a mother upon the lives of her children cannot be measured. They know and absorb her example and attitudes when it comes to questions of honesty, temperance, kindness, and industry.

Her children arise up, and call her blessed — Proverbs 31:28
