## LETS CONNECT!

Connection is an important aspect in the life of First Baptist Holly Springs. If you want to keep up with what is going on at church, text the word **CONNECT** to **770-758-1350**. We use the Text In Church system to announce events and activities as well as pass along prayer requests.

**First time visitors** are encouraged to scan this QR code and complete a connection card. This will provide church staff with basic information about you and your family so we can reach out via email and provide you with information about First Baptist Holly Springs and find out how we can minister to you.

## PRAYER REQUESTS

**Cody and Ashley Spence** - Kayce Spence is still in the NICU and will probably be there until June. Prayers for him to keep getting stronger so he can go home.

## THE PURPOSE OF GOD FOR YOU

Have you ever wondered why God placed us on this planet? What our purpose is in being here? It is because God is love. There may be life on other planets, but I believe man is unique in the sense that he was created in the image of God. God created on this planet as it were "little gods" whom He could love and who would return love to Him. Reverently speaking, God was lonely. He wanted someone to love and who would return love to Him. That sounds incredible, but the Bible tells us that God loved, and so He created and put us on this planet.

**Everything comes from God alone. Everything lives by his power, and everything is for his glory. To him be glory evermore.**

**—Romans 11:36 (TLB)**
